

WELCOME

We're glad you've joined us today! Our desire at GMC is to see Jesus be a functional, active Lord in our lives. Having an active relationship with God where we walk with Him, listen to Him and let Him lead our lives.

GMC desires to be a Spirit filled and Bible based church, blending the power and gifts of Holy Spirit with the character of Christ and fruit of the Spirit.

We want our environment to be graceful, meeting people where they are at. At the same time desiring wholeness, where we experience Jesus' freedom from the inside and step into living whole and pure lives.

NEW HERE?
